This book is dedicated to my dearest husband of forty-six plus years

REX F. KELLY

with love and my deepest appreciation. Without his sustained interest, patience, (he did all the typing-the hunt and peck system) combined with his extraodinary organizational skills, this project would never have been completed.

through the valley
The Shepherd will lead the way
And the path
rising out of the shadows
Winds its way to a brighter day!

Dear "Cousins":

Someone suggested that I write a resume' so that those of you whom we have not had the pleasure of meeting might know a little about Rex and me.

I was born in 1918 at Bremerton, Wa., a Navy ship repair base and a cityon Puget Sound west of Seattle but have lived most of my life in Monitor, (a community around 600), located in the Wenatchee river valley about eight miles N.W. of the town of Wenatchee in central Washinton State. The first white settlers in Monitor were my grandparents, Lucy Cole Brown (daughter of Urena Ulven Cole) and Reuben A. (Deak) Brown who homesteaded in 1885. (More details on this couple on Family Group chart # E-1 in the Urena & Wm. Cole section).

Rex was born in Thayer, Iowa in 1915 and came west with his parents to Montana, then into Idaho and in 1921 moving to Monitor. We were married Sept. 12, 1937.

This valley is known as the "Apple Capital of the World". Almost all useable land is in orchards. The crop is mostly apples and pears although quite a bit of soft fruits are grown here,--cherries, apricots and peaches.

As Rex was growing up he worked in the orchards for his father. Later he worked in the warehouses during the harvest andshipping season. From 1942 to 1945 he served in World War II in the Navy. UPon his return he and his brother leased their fathers orchard in partnership andadded more acreage. They dissolved partnership in 1950, each having his own orchard on adjoining property. In late 1977 we sold our orchard to our neighbor but kept our home and 14 fruit trees,-4 apples, 2 pears, 2 prunes, 2 apricots, 2 cherries and 2 peaches. Much too much fruit for our own use!..Wish we could share with you all....

We had two children,-son Daryl who died March, 1955, and daughter Judy who married Wm. Parker who at present is a Hi-school principal in Tacoma, Wa. Their son Mick is in his last year at Eastern Wash. Univ. at Cheney, near Spokane and daughter Kari is working at present at the Puget Sound Nat. Bank in Tacoma. Judy has worked for a large law firm for over ten years as bookkeeper and word-prosser in Tacoma and also a part-time student working toward a C.P.A. degree which she will get May 19th. from the Univ. of Puget Sound. Our niece, Peggy Trowbridge, (whom we raised since she was 11 years old), lives at Cashmere, Wa. about 4 miles west of us. Peggy is a L.P.N. , her husband, Gary works for a candy factory (Aplets and Cotlets). They have two children--Carey will be a senior in Hi-school next term and Kellie Rose a ninth grader.

We have really enjoyed our retirement years. This geneology work has provided us with a special reason to travel and has reworded us with many new relationships, not only personnally but in finding 'kin-folk' through correspondence. We hope we can meet many more of you within the next few years. Those of you who have visited us,--come again. And those of you who haven't been here are invited,--just let us know so we will be home...

Love and God Bless you all....

INTRODUCTION

In August, 1980 after reading 'New World Immigrants', Vol. 2, edited by Michael Tepper, about the early Norwegians who came to America and settled in the southern Wisconsin area in the 1837 - 1841 period, and knowing that my S. S. Ulven ancestors came from Norway at about that time, I wrote to the Wisconsin Historical Society asking for more information. They referred me to a Mr. Gerhard B. Naeseth of Madison, Wisconsin. Mr. Naeseth has been working for many years collecting information on these Norwegians who came to America before 1851, - his object being to publish a biographical directory. Mr Naeseth assured me that his records did show that Sjur Sjurson Ulven (Ulvund) and his wife, Brita Davidsdatter Skjervheim did migrate to the U. S. in the year 1837, coming on the ship Wilhelm. With them were their children Sjur (Andrew), Martha and Brithe, although Marthas' name is not listed on the ships' passenger list. The family settled in the Chicago area.

S.S.Ulvens wife Brita Davidsdatter Skjervheim became known as Elizabeth Davidson Ulven. Her brother, Per Davidson Skjervheim also came to America in 1837. A sister, Anna Davidsdatter Skjervheim, came to America in 1837. She married a Peter Ivarson Unde. These three families probably left the Chicago area in the summer of 1841 and settled in the Wiota, Wis. area. In both the 1846 and 1847 Wisconsin territorial census we find the names of the S.S.Ulven, Peter Davidson and Peter Everson families listed right together. The spelling of the names differ slightly but we can be certain these are the same people. In Mr Neaseths' copy of the 1850 Wayne Township Census he finds listed;- Surson Ulven 48, Betsy 48, Surson (Andrew) 18, Betsy 14, Urena 8, and Anna 6. Martha is not listed in this 1850 census. She is listed in the Sept 12, 1860 Town of Wayne, Post-Office at Shafford, as the wife of Orsemus Jewell and they had a son David, 5 years old. Mr. Naeseth mentioned that he found an Ulven daughter Davine, buried August 21, 1846, age 15 weeks.

I have not been able to find S.S.Ulven in any 1860 or 1870 census records so I do not know where he was duing those years. The 1860 census for Le Sueur Co., Minn. lists son Andrew and daughter Elizabeth and their families living in the Madison Lake and Greenland areas. The 1880 census lists S.S.Ulven as living with daughter Martha Jewell and her husband at Elysian Township, Le Sueur Co., Minn. S.S.Ulven died May 13, 1894 in Elysian, Minn. His death was reported by a grandson, Chas. W. Prosser. He is buried in the Cedar Hill Cem., Lot 43, Block 1, Elysian, Minn. Daughter Martha and her husband Orsemus Jewell are buried in the same plot and all three names are on the same headstone.

The Pedigree Charts on S.S.Ulven and his wife Brita Davidsdatter Skjervheim which are included with this Norwegian ancestry were derived from material sent to us by Mr. Gerhard Naeseth. He took the information from Attebok for Vossestrand, by Roald Lynvaer.

Other very pertinent information on my S.S.Ulven family came to me in May, 1981. Mr. Naeseth sent me the name of a descendant of Peter Davidson who has been researching family history. Ervin Johnson is a great-grandson of Peter Davidson. However, it is his wife Phyllis who is the geneoligist of the family who has sent me a wealth of information on the related Norwegian families. Although S.S.Ulven must have done some farming in Wisconsin, he must have also been a rather well accomplished carpenter. We read that while in Chicago he built two houses, one of which he sold to a Knut Brekke. Shortly after his arrival in the Wiota, Wis. area he was one of a committee totake care of the building of a church. This building is now known as the East Wiota Church. The initial cost is reported to have been $933. Mr. Ulven was a charter member of this church. Construction

was started in 1844 and was completed in 1851 and it is said to be the oldest Norwegian Lutheran church in the U. S. which is still being used. Ervin and Phyllis Johnson were married in this church in 1938.

I know of two chests which were made by S.S.Ulven. One is in the possession of a great-grandson, Martin Prosser of Mankato, Minn. It is a small wooden chest which has hand-carved decorations (animals and scrolls) on the ends and sides, and the words 'S.S.Ulven - 1878' carved on the front. The other chest is of regular trunk size and is said to be one that the Ulvens' brought from Norway. A great-grandson, Chester Brown of Washougal, WA. has this chest.

In regard to Elizabeth (Davidson) Ulven, - it appears that she died around 1860 and is presumed to be buried in the South Wiota, Wis. area.

I am including a few paragraphs written in Norwegian and taken from K. A. Renes'book, 'Historie om Udvandringen fra Voss', - pages which contain information about our Norwegian families; - if you can find someone to translate them for you.

Sjur Ulvund og svogeren Peder D. Skjervheim var omkring fire aar i Chicago og flyttede saa til Wiota, Iowa — nu Lafayette county, Wisconsin. Sjur Ulvund byggede sig to huse paa kanalgrunden i Chicago, skrev A. Flage i 1840; solgte det ene til Knut Brekke, som kom i 1839. Han stod sig da udmerket godt. Et lidet barn døde for ham i 1839.

Sjur Sjurson Ulvund var født paa Vossestranden 1802 og gift der med Brita Davidsdatter Skjervheim, født 1801. Da de i 1837 udvandrede, havde de to børn, Sjur, 7 aar gammel, og Brita, halvandet aar. Foran er berettet, at han i Chicago i 1840 havde to huse staaende paa kanalgrunden, men havde solgt det ene og stod sig udmerket godt. Et barn døde for ham i 1840. Det var han, som hjalp Anders Flage til først at faa sig arbeide.

Ved sin ankomst til Hamilton settlementet, som de kaldte det, kjøbte han sig land ved siden af svogrene Peder Skjervheim og Peder Unde, nær det nuværende South Wayne. Der byggede han straks et loghus og boede der til omkring 1860, da hans hustru døde og han flyttede til en gift datter i nabolaget. Han havde fem børn, som voxte op, nemlig: Sjur, Martha, Brita, Jorgina og Anna. Sjur d. y. kaldte sig Andrew til adskillelse fra faderen. Han var en tid skolelærer i kolonien; men i 50-aarene reiste han og to af søstrene til Minnesota, hvor han kjøbte sig land i Leseur county og boede der. Men den 19de august 1862 hvervede han sig i Komp. E, 9de Minn. Reg. Med dette var han med i det heftige slag ved Brice Cross Road, Mississippi, og blev der tagen tilfange og sendt til Andersonville fangeleir. Derfra kom han ikke hjem igjen. Det er fortalt, at han efter krigens slut var med paa et transportskib paa Mississippifloden, som kom i brand og alle omkom.

Sjur Ulvund d. æ. og to døtre, som var igjen i Wiota, reiste senere til Minnesota og overtog landet, som sønnen eiede. Der døde han den 13de mai 1894 i en alder af 92 aar. Om døtrene haves ellers ingen besked.

Anna Davidsdatter Skjervheim, gift med Peter Ivarson Unde fra Vik i Sogn, kom efter opfordring af broderen Peter Skjervheim til Amerika i 1839 og fulgte med, som vi har seet, til Hamilton settlementet. Der tog de sig land ved siden af de andre og blev boende der til sin død. De havde tre børn, Inger, Ivar og David, kanske flere. Inger fik farsfarmen og blev gift med Nils Fenne; Ivar er i Minnesota og David reiste til Kansas.

Martha Torstensdatter Saue blev gift med Peder Davidson Skjervheim, om hvem senere.

ULVEN GENEOLOGY

In order to explain how I have come to have compiled the geneologies of the Ulven and Cole families I would like to first give my own relationship with the families. I am Fern Jane (Crothers) Kelly, -my mother was Lutie May (Brown) Crothers,- and her mother was Lucy Rosetta (Cole) Brown. My maternal grand-mother, Lucy Rosetta Brown, was a daughter of the marriage of William D. Cole and Urena Ulven.

My mother passed away August 3, 1974 and a number of her personal papers were left with me. It was more than a year later that, as I was looking through my mothers' papers I came upon an old envelope, dated Dec. 1909, and a scrap of paper on which was written a number of names, - written in what I recognized as my grand-mother Lucys' handwriting. This aroused my curiosity, and while I did not recognize but a few of the names from conversations I had heard between my mother and other members of her family, I felt certain that these people named must be relatives.. So in the winter of 1975 - 76 I started looking for clues to determine who these people were.

It would be a book in itself if I tried to relate all the details, the letter writing, the record searching, etc., involved in obtaining all the information I have been able to compile so far but now, in early 1984, I can only say it has been a sometimes frustrating, sometimes exhilerating, but always fascinating and exciting search. Most of the information I have on the recent generations is accurate concerning birth-places and dates. As for the earlier generations, my information has in a large part come in bits and pieces and from so many sources that some of it can be verified quite accurately while on the other hand such a proceedure can produce a great deal of contradictory information. In these cases where conflict is involved, I have tried to analyze the situation and arrive at a conclusion which seems to fit most logically with related data on the person involved. For these reasons, the data on some of the ancestors is quite incomplete and possibly in some instances slightly incorrect, but from my experience so far, one never knows when some tiny clue may come along which will tie two or more other bits of information together and result in the verification of something which was previously questionable. I will probably continue this research for some years, so perhaps in the future I may be able to fill in some of the blank spaces.

One of the greatest gratifications from this quest has been the pleasure of meeting a number of fine people,- many of them personally and many more by correspondence. It gives me a good feeling inside to know that so many of my blood relatives,- although the blood is pretty well thined-out and diluted in some cases,- are such friendly and nice-to-know people.

On Sept. 4, 1884 Horace M. Babcock purchased cemetery lots at Parkers Prairie, Minn. - S.E. ¼ of Lot 19, Block 2, 4 grave-lots.

(Could this indicate that daughter Elva, twin sister of Ernest U. Babcock, died at this time? Some information says that Elva died at birth or very shortly thereafter. We have never been able to confirm a birth-date for Ernest U. and Elva.)

Since Elkanah Andrew was born in Waseca Co. in 1878 and the twins were born in possibly 1884 at Parkers Prairie, this would indicate that the Horace M. Babcock family moved to the Parkers Prairie area in the era 1880.

Mrs. Melvin (Lorraine) Hollatz of Parkers Prairie sent me the record of Anna Marie Babcocks death from the Fergus Falls (Ottertail Co.) Court House: Died - Jan. 31, 1888, age 44 years, 4 mo., 26 days. (Born in Wisconsin) This would indicate a birth-date of Sept. 5, 1843. Record was in Woodside Township records.

Also at Parkers Prairie, Minn. cemetery we found a headstone which listed Andrew Olbekson, 1830 - 1900 and Louise Olbekson, 1832 - 1913. Possibly these are the parents of Michael Olbekson who married Urena Belle Babcock, oldest of the Horace M. Babcock children. From records obtained from her descendants she was married Nov. 11, 1886 but we do not know for sure where she was married.

1880 Census - Waseca Co., Minn. - Janesville, June 4, 1880

The following information about Martha E. (Babcock) Chapman and her husband Richard K. Chapman was submitted by Mrs. Susan (Hill) Hofman, a great - granddaughter, now living (as of May, 1981) at 133 Crosstown Blvd., Apt. 302, Chaska, MN. 55318.

Martha, known as "Mattie" , was a self-educated woman, artistic, musical, first white woman who shot the Red Lake River in a canoe to escape Indians. Mattie raised her brothers and helped her Dad by riding a donkey, carrying a portable folding organ to play for some of his services. She lived in a log cabin and could tell about Indians coming there to beg food and supplies.

(Susan quotes from a letter from Dorothy M. (Chapman) Deggans, a granddaughter of Mattie & Richard K. Chapman) : 'Grandpa Chapman was one of the most gorgeous people ever to live on this earth. He had bright blue eyes, snow white hair and mustache, unimaginable knowledge about the woods, the world and life.'

He was the first Scout Master in Minn., (before it was a state), a Mason, wrote a book, a theological dissertation which is now in the possession of his son, R.K. Jr.

This picture of Martha Erzalia (Babcock) Chapman was submitted by Martha Rose (Marty) Chapman, a grand-daughter, and daughter of Richard K. Chapman, Jr.

This photograph of Andrew Ulven was submitted by Mrs. Wayne (Harriet Howe) Macomber, his great-grand-niece who lives at Fredericksburg, Iowa.

The following 1914 resume, written by a nephew of Andrew Ulven, Elkanah Andrew Babcock, states that Andrew grew to manhood working with his father in clearing and farming the land in So. Wiota area of Wisconsin. Although he had little opportunity for schooling, he studied at home and then attended the Plattville Academy of Wisconsin and taught school for some time. He later moved to Minnesota and took up a homestead on the banks of Lake Madison a few miles west of Elysian. He was married and had a son, Nelson, at the time he enlisted for the Civil War at Mankato, Minn. on Aug. 18, 1862. He died Nov. 20, 1864 during the war and is buried in the Andersonville Cemetary near Americus, GA., grave # 12106. His great-neices, Elva M. Babcock Newell and Winifred L. Babcock Howe visited his grave in 1958 and took pictures of his headstone.

Conflicting stories exist concerning the death of Andrew (Sjur) Ulven. Phyllis Johnson sends a report which was taken from Martin Ulvestads book 'Nordmaendene I Amerika' which states that Andrew was on a ship on the Mississippi which caught fire and was destroyed. Some of the men drowned and the rest were taken to Andersonville Prison where they later died.

The other report of Andrews' death is contained in the resume which I am attaching. This resume was first sent to me by Ruby Olbekson of Portland, Ore., a grand-niece of Andrew Ulven. An identical copy was sent to me only recently by Harriet Howe Macomber who I mentioned in the first paragraph above. It was alledgedly written in 1914 by the first Elkanah Andrew Babcock, son of Anna (Ulven) Babcock who was a younger sister of Andrew Ulven. This states definitely that Andrew died in Andersonville prison. So the controversy goes on!

In the following sketch I do not pretend to give anything like a history of the Ninth Minn. Vol. Infantry, only so far as it concerns Mr. Ulven. Neither do I claim to give anything like a history of Andersonville Prison, only enough to give an idea to the reader what these men had to live through and how they suffered.

The history of Andersonville Prison has been written by men who were there. What these men have told has shocked the world; their tales of horror, of woe and of death, before unknown to civilization.

The material for the historical part of this sketch was taken from many volumes on the Civil War and Andersonville Prison. Of his life a great deal was contributed by Mrs. Elizabeth (Ulven) Prosor.

Elkanah Andrew Babcock.
Los Angeles, Calif. June 26, 1914.

Andrew Ulven, only son of Sjur Sjursen Ulven and Elizabeth (Davidson) Ulven, was born in Vos Your, Bergen, Norway, Sept. 30th, 1831. He came to America with his parents when six years of age; the family landed at Chicago late in the Fwll of 1837. They lived here until Acgust, 1841, when they moved to LaFayette County, Wisconsin; traveling with ox-team and wagon. Here he grew up to man-hood on the farm, working by the side of his father; clearing the land and helping to make a home. While he had very little opportunity to attend school, he nevertheless obtained an education. Mother said he used all his spare time in study; he would study by the fire-light at night and if he had to wait a few minutes for his meals he would pick up a book and read. From all I hear of Uncle Andrew he was of the ABraham Lincoln type. When a young man he attended the Platville Academy of Wisconsin. He taught school for some time, was a beautiful penman and could write the Lord's Prayer in a space the size of a tencent piece. He went to Minnesota and took up a homestead on the banks of Lake Madison, where he was living at the time of his enlistment. He enlisted at Mankato, Minn. August 18, 1862, in Company "E", 9th Minn. Vol. Infantry.

The regiment was organized from Aug. 15th to Oct. 31st, 1862 at the following places - Camp Release, Hutchinson, St. Peter, Mankato, Ft. Snelling,Glencoe and Ft. Ridgley. The regiment was on frontier duty fighting Indians up to September 1863. "E" Company was organized at Mankato. The regiment was concentrated in September 1863 and furloughed from Sept. 23d to Oct. 3d. The boys could now go home and see their dear ones before going South and to the front, and at the close of their furloughs there were no doubt many sad hearts in Minnesota; and many of the boys that bid their loved ones good-bye were never to return, some killed in battle, some died from wounds and much suffering, while others died horrible deaths in prison from disease and starvation.

Uncle Andrew when he bid his folks good-bye, promised mother that he would write to her often, which he did. I can remeber when I was a little fellow, seeing mother reading over some of these letters and looking at Uncle Andrew's picture and crying. The loss of her brother and the horrible death he died in prison saddened mother very much.

The letters and picture were destroyed by fire.

On October 8th the regiment left for St. Louis, M.., arriving there on October 12th, 1863. It was attached to the Department of Missouir, 2d Brigade, 1st Division, 16th Army Corps. It moved from St. Louis to Jefferson City Mo. October 13th, 1863 and assigned duty guarding railroad from Kansas State line to near St. Louis until May 1864, when the regiment took up station at Ralla, La Mine, Bridge, Warrensburg, Independent, Knob Noster, Kansas City, Waynesville and Franklin; with headquarters at Jefferson City until April 14th, 1964 when headquarters was moved to Ralla where it remained until May 18th, 1964. The regiment was concentrated at St. Louis, Mo., from May 15th to the 26th, and three days later (29th) it started on its way to Memphis, Tenn., arriving there May 31st, 1864 and (in May) was assigned to the 2d Brigade, 1st Division, 16th Army Corps, department of Tenn. The regiment took part in Sturges's expedition to Guntown, Miss., engaged in a skirmish with the enemy at Ripley June 7th, and in the battle at Brice's Crossing or Tishamingo Creek near Guntown, June 10th, 1864.

Union Troops Engaged - Five Batteries of Artillery, ten regiments of Cavalry(one regiment beingcolored) and twelve regiments of Infantry (one regiment being colored). Union loss 223 killed, 394 wounded, 1623 captured and missing; total 2240. Of this same battle I quote from "Pictorial History of the Civil War in the United States of America" by B. J. Lossing:

"Sturges started from Memphis with a force of Nine Thousand Infantry and ARtillery, and Three Thousand Cavalry under General Grierson (including a quarter portion of General A. J. SMith's Corps lately returned from the Red River region) with instructions to hunt up and beat the bold Cavalry leader. Sturges pushed in a Southeasterly direction and struck the Mobile and Ohio railway near Guntown; Grierson in advance with the Cavalry, there met a large force of Foreest's horsemen, and pushed them back (June 10th) to their Infantry support, when they took a strong position for battle on a commanding ridge. Grierson had sent back word to Sturges, six miltes in the rear, of the situation of matters at the front, when that Commander pushed forward the Infantry at double-quick, under a blazing sun, and with them a train of about two hundred wagons. Finding Grierson hotly engaged, the exhausted Infantry without being allowed time to rest, or be properly formed in battle order, were thrown into the fight directly in front, no attempt being made to turn the flank of the Confederates. The result was most disastrou. The whole National force was speedily routed, and their wagon train, which had been parked within range of Forrest's guns, was captured and lost.

The vanquished troops were driven in wild confusion over a narrow and ugly road, without supplies, and with no re-enforcements near, covered, as well as possible, by the Second Brigade, under Colonel Winslow, which formed the rear-guard. The pursuit was close and galling, until the fugitives crossed a stream at Ripley (June 10th, suppose this is Brice's Crossing E), where they turned

upon the pursuers, and gave battle. The struggle was fierce for a while, and was favorable to the Nationals; thereafter the retreat was less fatiguing, because the chase was less vigorous and more cautious."

It was during this battle that Uncle Andrew was captured (it is said that he broke his gun over a stump) and taken to Andersonville Prison, a prison situated about sixty miles south of Macon, George, which during its thirteen months of use, 44,882 prisoners were received and in which 12,462 died. During the month of August, 1864, a prisoner died every eleven minutes night and day, or that, for six months, beinning April 1864 one died every twenty-two and one-half minutes night and day, and no doubt the death rate would have been higher if it had not been for the breaking out of Providence Spring. The Jailer, Capt. Wirtz, boasted not without truth, that he was killing more Yankees at Andersonville than Lee was killing at Richmond. He performed his horrid task with alacrity and awful effect. At one time more than thirty thousand human beings - the fathers, husbands, brothers and sons of anxious, waiting, watching women in desolate homes, hundreds of miles away, were confined on twenty-seven acres of land reeking with generators of disease and death, sometimes parched with the sun, at other flooded with filthy water; exposed to frost and heat; to the bullets of brutal guards used in wanton sport; beaten; bruised and crushed; starved into skeletons; driven to madness and idiocy; worse than all tortured by false declarations, made only to lacerate, that their Government had forsaken them, thus leaving no other hope for relief from misery than death. No pen can describe, no artist can paint, no imagination comprehend their fearful and unutterable sufferings. No greater patriots ever lived than these men, who could see death and misery at every hand, and themselves slowly dying, who refused all dishonorable offers of freedom. There was a standing offer of immediate release to any prisoner of average strength who would take oath of allegiance to the Confederacy, and engage in non-combatant service. This offer was spurned by these men "Who tasted death at every breath and bravely met their martyrdom."

Undle Andrew went into this hell-hole a big strong man; he was taken out after death November 20th, 1964 a skeleton. They had starved and weakened his body, but they could not weaken his honesty and his loyalty to his country. Shortly before his death his hopes and spirits were high; there was a rumor of exchange "The hollow eye grew bright and the poor heart most gay, as he thought of seeing home and friends again." The rumor proved false; in his weakened condition his spirits sank very low and he became very discouraged, and from this condition he never revived. He died of starvation November 20th, 1864 and was buried in the prison burying ground.

The Official records shows - A. Ulven, Corporal, Co. "E" 9th, Minn. Vol. Infantry, died Nov. 20th, 1864 of Scorbutus, Grave No. 12106.

Andersonville and the graveyeard is now taken care of by the Woman's Relief Corps, and is now enclosed by a high wire fence.

Over Providence Spring there has been built a Granite Pavilion, inside of which there has been erected by the Ex-prisoner's of War Association, a marble fountain from which the water flows strong and sweet with a never ceasing stream into a marble basin. It is said to be the best water in all Georgia.

* PLANTING THE FLAG AT ANDERSONVILLE

By Mrs. Annie Wittenmyer.

We lift up the banner of freedom today,
And let the world know that due honor we pay
To Liberty's martyrs, who starved for the right,
And crown them as heroes, who fell in the fight.
Their chalice of woe was filled up to the brim;
They drank to the dregs with high courage and vim,
Nor faltered, nor wavered, but loyal and true
Stood firm by their colors, the red, white and blue.
The earth was their pillow, their covering the sky;
And thousands lay down on the bare ground to die;
No artist can paint, no pen tell the story
Of all they endured for love of "Old Glory".
The Lord, in compassion, took note of their grief
And came, in HIs Majesty, to their relief;
He rode on the wind, where swift lightning played,
And hallowed the ground where the prisoners laid.
They panted with thirst, ere the Presence passed by,
But flashes of glory lit up the sky;
A thunder bolt fell, with omnipotent ring,
** And opened the fountain of Providence Spring.
And Peace came at last, Oh! for thousands too late;
We mourn, as a people, their pitiful fate,
And hold the ground sacred, our care and our pride,
And plant the Flag over the place where they died.
But the Nation is saved! They died not in vain;
Our people are all re-united again,
From ocean to ocean - the lakes to the sea -
One country, one people, one flag for the free.

* At Andersonville the Stars and Stripes float every day from a pole one hundred and sixteen feet high.

** Providence Spring broke out after a thunderstorm in August, 1864.

The following letter was written by Ted Daniels in 1946 requesting that it be sent around to the Prosser family and that each person write their family data, then be sent back to him. Edith Prosser Denham sent me a copy of each letter in 1978. These letters are included and are on the back of the chart of the person who wrote it. You will find some discrepencies on some of these dates , even among the family at that time. We have tried to determine the correct data by using some more recent data which we have received.

The following letter was written by Ted Daniels in 1946 requesting that it be sent around to the Prosser family and that each person write their family data, then be sent back to him. Edith Prosser Denham sent me a copy of each letter in 1978. These letters are included and are on the back of the chart of the person who wrote it. You will find some discrepencies on some of these dates , even among the family at that time. We have tried to determine the correct data by using some more recent data which we have received.

every week as usual. It was 10 years the 21st of July since I have been going there for Chapel service one hour and then visit patients after that for an hour. I used to go to more nursing homes but my co workers are either in nursing homes themselves or passed away.
I feel that as long as God gives me the health and strength to go I should go, to Him be the glory, Praise the Lord!
This summer, my Poodle dog Pedro and I have spent a few days at Delmars in Delwein Iowa. also at Ruth's Cabin at Aitkin Minn and at Gladys' Camper in the woods in Voyagers Village in Wis. Grace and Fred expect to take me for a ride in the Cruiser down the Mississippi River some time. Well I better close. Write when you can and please don't wait so long as I did. I'm sorry I didn't write sooner. Lots of love from Florence Gifford.

How are you? Where are you staying? I suppose you have heard that Bertha Gifford had the cataract from her eye removed up here at University of Minn. Hospital last month just now she is in Hospital at Mankato, don't know yet if she will be able to see at all. Hope she wont be blind entirely. She will not be able to stay alone at all, and has a two bedroom apartment rented in Waseca and hopes to have a woman live with her but wasn't sure the lady would accept the job. I talked to Bertha over the phone while she was up here; my daughters Gladys and Ruth went to see her. The Dr. didn't know if she would be able to see or not.

I am as usual and if I live till Oct. 9. I will be 86 yrs. young. I still go to the nursing home

Dear Cousins:

Will try and write a few lines in reply to your ever welcome letter.

Have been feeling rather rough the past few weeks and have got behind in my letter writing.

We have been having real mild weather for some time and seems good. I can stand the heat but dread the cold. These mild days are also easy on the fuel bill.

There been a fuel shortage but has not affected us here in Manhatto.

Had a letter from Bertha but have not seen her as we dont get out of town

Dear Boo & all

Im sending this to Norman as I don't just know where to find you. You can send this to Leo of course they haven't got just what he wants for Bernice was trying to engineer it & she always did fall every thing up I think he wants to get the genealogy of the Prosser Tribe I think Mat Smith once started to but they haven't it complete for they have the date of Father & Mothers wedding & the names of their children at all try & get it included & send your answer back to Leo. Ruth was to Board with Mrs Leo until Mrs Leo

Thursday

But have neglected to get the dates of their deaths Pa died in Jan 1894 I think but I don't know just what date & Mother died Jan 14th 1916 And Mary was born Feb. 4th but I don't know the year nor the exact date of her death. I think they have Hannahs & Edna's death but Georgia probably has written it I know I think I know when She & Edward Hillon were married it was Apr 6th 1896 But about Ed's death & Beths I don't know exactly only the year for Ed died in Aug. 1905 & Beth was born in July & died the next Feb. I believe but the date of Amelia & Pinys wedding & deaths I don't remember Amelia died in Feb. either 5th or 7th & they haven't Emmas family

In the 1860 Census for Mankato, Blue Earth Co., Minn. we found William D. Cole listed in the township of Jamestown. In the 1870 Census we find him in Janesville, Waseco Co., Minn. with his wife Urena Ulven Cole and daughters Lucy R. and Alice A.. In the 1880 Le Sueur Co., Minn. Census we found Wm. D. Cole and Urena, Lucy, Alice, Olive and son Ezra. The following July 17, 1881 a daughter Mary was born but died two days later and is buried at Cedar Hills Cemetery at Elysian, Minn.

On May 8, 1882 this Cole family started west via train, transferred to a boat at San Francisco, sailed to the Portland-Vancouver area and made their new home in Washington Territory at Fern Prairie near Vancouver.

A brief diary of this trip west, written by Alice A. Cole Brown, was given to me by her son Chester C. Brown of Washougal, Wash. and is being enclosed for your pleasure. The impressions of a 15 year old on her BIG trip west!

William D. Cole and his wife Urena Ulven Cole lived in the Fern Prairie area until their deaths. William died Sept. 16, 1903 and Urena died Nov. 13, 1905. Both are buried in the Sunnyside Cemetery near Fern Prairie, WA.

Family charts give furthur data on their descendants.

One hundred years ago this year, on Sept. 2, 1884, Reuben A. (Deak) Brown and a friend, Tom Owens, ventured into this valley. As they rambled on up the Wenatchee river, the area which is now Monitor took 'Deaks' fancy and he remarked 'this is the place I'm going to homestead and make my home'. The next spring, April 28, 1885 he and his bride, Lucy Cole Brown from Fern Prairie, WA. arrived to what became known as Browns' Flat, - the first white couple to reside in the Wenatchee River valley.

They built a temporary home, grubbed out space for a garden and started preparing the necessities for pioneer living. Their early dreams and hard work turned into reality over the years where they reaped the rewards of the good life. They raised ten children, -one son, N. L. (Dude) Brown became County Commissioner in 1930 and later became a State Legislator. Lucy died in Aug. 1932 and Deak died in June, 1936. Two daughters survive, - Mrs. Melvina Riggs of Omak and Mrs. Effie Decker of Onalaska, WA.

Two grand daughters of 'Deak' Brown still live in Monitor. Mrs. Ken (Fronie) Pusel and Mrs. Rex (Fern) Kelly. The Pusels own some of the original homestead property.

A year after 'Deaks' arrival his two brothers, George and Noah came to take land at Browns' Flat. All three brothers worked to improve their land but George and Noah, being single men, added outside interests. Noah, having had previous experience in hotel and restaurant work, became manager and owner of many Washington establishments. The first hotel in Wenatchee, the Watson, was built and managed by Noah in 1892. George was in the cattle business. He enlisted in the Army during the Spanish American War. Both men spent time in Alaska. George worked for the Government, Noah in the hotel business during the gold-rush days. Later George went into the hotel business with Noah but he also kept his land in Monitor which his son Carl Brown now lives on and operates. A daughter, Elnora O'Donnell lives in Wenatchee and a second daughter, Helen Anderson lives near Portland, Ore. Both men married in 1906, - George to Margarethe Lutzhoft and Noah to Jessie Walton. Noah died in 1932 and George in 1955.

A sister, Elnora Brown, came to the valley to keep house for George. On Nov. 26, 1891, she married Jacob H. Miller of Wenatchee. They had two sons, Stillman and George. George and his wife Mary Ellen reside in East Wenatchee. Elnora Brown Miller died on Dec. 31, 1901.

The parents of the Browns, the Reuben Wash. N. Browns, left their home in Proebstel, WA. and moved to the valley in 1900. They both died in Wenatchee in 1916.

My grandparents' first child, Samuel Lyman, was born Jan. 31, 1886 and was the first white child born in the Wenatchee River Valley,- that area from where the Wenatchee river flows into the Columbia north-west to the Cascade mountains. News of this event brought the Browns' Indian friends from across the river to see this little "pale-faced papoose". All eleven children of this couple were born without medical aid. Six were born at a time when the couple were all alone and eight of the children were born in the old log cabin.

One of the proudest moments in the lives of my grandparents was when their son N. L. (Dude) Brown became Chelan County Commisioner in 1930. He retained this position until 1936 when he was elected Chelan County 12th. District State Representative.

This picture of Uncle (Dude) Brown is on Page 15 of the Time - Life book titled 'The End And The Myth', written by Paul O'Neil. Picture probably taken between 1910-1915.

This item is from a newspaper clipping, a 'thirty years ago' article which appeared in a 1921 edition of the Wenatchee Daily World, with reference to Monitor.

In the spring of 1891 the heads of families, three in number, petitioned and got a school district formed and using the Thrall home, Charles R. Hinman taught the first school. The scholars were the Parrish children, the Richardson children and two little girls of W. H. Alexander. The following fall, James Murray of Ellensburg taught a three months' term. The next year the settlers built a little school house, where the following winter Mr. Reeves taught the two families, W. H. Alexander having moved to Wenatchee.
